---

## Full Stack Laravel Developer

Cell: +923498869509 | email: [tayyibyasin786@gmail.com](mailto:tayyibyasin786@gmail.com) | Rawalpindi, Pakistan

### Career Profile/Summary

---

Experienced Full Stack PHP developer having hands-on experience with PHP platforms like Laravel. I am a self-motivated, detail-oriented, and creative problem-solver. Proficient in coding, design, software testing, and debugging.

In my recent projects, I designed and developed scalable solutions, achieved application and data security, and managed cloud architecture, and code versioning through Github, Bitbucket, and Gitlabs.

Strong knowledge of Software Engineering, Architecture, Database design, UI/UX, and SCRUM artifacts.
